Authorization to Disclose Academic Information

The Family Education Rights and Privacy Act (FERPA) regulations were revised and republished on November 21, 1996. FERPA set out requirements designed to afford parents and students rights with respect to student educational records. In addition, it puts limits on what information Mississippi Delta Community College can disclose without having received prior consent.

In accordance with the Family Rights and Privacy Act, the undersigned student hereby permits Mississippi Delta Community College to disclose information to his/her parent(s)/legal guardian(s) as listed on this request to enable them to follow the student's progress. This consent shall be valid throughout the student's enrollment, but may be modified or rescinded in writing by the student. Any interruption in the student's enrollment (withdrawal or termination) will void this authorization; however, a new waiver form may be completed by the student should he/she reenroll. Information provided to parent(s)/legal guardian(s) is for their use only and should not be disclosed to third parties without the student's authorization.

Note: Parent or legal guardians of dependent students may, at the college's discretion, receive information concerning the student's enrollment without a student waiver being required. As defined by FERPA, a student is considered dependent if the parent(s)/legal guardian(s) can claim the student as a dependent for income tax purposes.

In accordance with FERPA, Mississippi Delta Community College will disclose to parents information from the educational records of a student provided Mississippi Delta Community College has the written consent of the student. Please sign below and return to the Office of the Admissions and Records if you consent for the College to release to your parents your educational records.
