An Associate of Arts degree in general education degree will be awarded upon completion of not less than sixty-two hours of credit with a **minimum cumulative grade point average of 2.00**. A minimum of sixty of the required sixty-two hours must be academic credit hours. Nonacademic courses which may be counted toward graduation include Physical Education, Band, and Chorus. Student should consult the catalog of the university to which they plan to transfer for specific degree requirements.

Following the Pre-Allied health science curriculum does NOT guarantee admission into a Health Science Program.

Following the Pre-Allied health science curriculum leads to an Associate of Arts degree in general education ONLY if the CORE REQUIREMENTS in addition to requirements for graduation are met.

**\*\*Students should refer to the specific Health Science Program checklist for courses required for the Associate of Applied Science for each HS program.**

\*\*\*This course is only offered in the fall semester.
