

Computer Networking Technology Instructor

REPORTS TO: Dean of Career-Technical & Adult Education

DESCRIPTION OF POSITION: At Mississippi Delta Community College (MDCC) we value the ability to serve students from a broad range of socioeconomic backgrounds, genders, abilities, and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful Computer Networking Technology (CNT) Instructor will be an equity-minded individual committed to student success by collaborating with faculty, staff, administration, students and community partners who support the institution's mission.

The CNT Instructor position pathway is designed to prepare individuals to master skills in telecommunications, network technologies, administration, hardware maintenance, operating systems and network planning, and implementation. Individuals will have opportunities for employment as computer support specialists, network technicians, and network managers or administrators.

More specifically, the instructor is responsible for the following:

DUTIES AND RESPONSIBILITIES

In addition to participating in all normal faculty duties, the instructor will be expected to:

- Advise and keep records of student advisees by division and departmental policy and procedures
- Aid in hiring, training, and evaluating instructors within the college
- Assist in the development of a term by term schedule of course offerings
- Assist the college in recruiting and retaining students in the program, Career-Technical division, and college as a whole
- Communicate to the students goals, objectives, and expectations of courses taught
- Demonstrate an interest in the students by providing assistance in the areas of guidance, student activities, and all registration processes
- Develop reports, local, state, and federal in an efficient accurate manner
- Develop strategies to manage high tunnel crops while maintaining the high tunnel structure and irrigation system through educational student experiences, lectures, and lessons
- Earn national certification as determined by MDCC
- Encourage and monitor regular attendance of students and motivate students to maximum effort
- Foster and promote all educational programs and activities offered through the college
- Keep accurate records of student grades, progress, and retention data
- Maintain consistent office hours in addition to teaching duties
- Maintain contact with appropriate business/industry or advisory groups
- Make student referrals when deemed necessary to other college personnel
-

Mississippi Delta Community College does not discriminate on the basis of age, race, color, national origin, religion, sex, sexual orientation, gender identity or expression, physical or mental disability, pregnancy, or veteran status in its educational programs and activities or in its employment practices. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Dr. Steven Jones, Vice President of Administrative and Student Services, Stauffer-Wood Administration Building, Suite 119, Office 123, P. O. Box 668, Moorhead, MS 38761, 662-246-6304; EEOC@msdelta.edu.

DUTIES AND RESPONSIBILITIES (cont.)

- Participate and coordinate in the assessment of the programs instructional needs and plan the delivery necessary to meet those needs
- Participate in professional development dedicated to understanding how to effectively and efficiently teach the curriculum which incorporates national standards, yields industry- recognized certifications, and increases academic foundation
- Revise/Project budget for the program
- Teaching courses to a diverse student body
- Work in conjunction with the Vice President of Instruction and the Dean of Career-Technical & Adult Education to ensure a coordinated delivery of instruction, identification of students' needs, and development of courses that will meet students' needs
- Other duties as assigned by the Coordinator of Career-Technical Education and Dean of Career-Technical & Adult Education.

MANDATORY QUALIFICATIONS

- Applicants must hold a minimum of a Career Certificate in Computer Networking Technology or a related field.
- Applicant must have a minimum of two years' work experience within the last five years related to the program of study.
- Applicant must be dedicated to teaching as a full-time profession and appreciate the concept of the community college.
- In addition, excellent communication and interpersonal skills, initiative, and flexibility are required.

KNOWLEDGE, SKILLS, ABILITIES, AND WORK CHARACTERISTICS

- Ability to make difficult decisions and properly respond to sensitive situations.
- Ability to multitask and possess initiative.
- Ability to organize events and carry out major projects with minimal supervision and direction.
- Ability to safely use all tools and equipment associated with the Computer Networking Technology industry and profession
- Ability to work and communicate effectively with all college stakeholders including administrators, faculty, staff, students, and local patrons.
- Ability to work effectively with many constituencies in diverse communities including but not limited to contractors and/or vendors.
- Able to think creatively and respond timely to pressing deadlines.
- Broad understanding of and experience with issues and policies in public higher education and within a community college system.
- Dedicated to and appreciate the concept of the community college.
- Demonstrated effective use of technology.
- Effective planning, organizational, and time management skills.
- Highly attentive to detail.
- Must possess effective leadership skills that enable the success of the entire team.
- Strong sense of personal and professional integrity.
